

DISCOVER WHAT'S NEXT WITH LIFETOUCH

Through a combination of cutting-edge technology, compelling offers and exclusive deals, schools and families can expect more innovation, continued commitment to data security and an enhanced picture day and yearbook experience.

ENHANCED EXPERIENCE > MORE CHOICE > GREATER VALUE

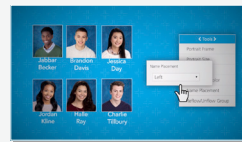

SCHOOLS

State-of-the-art, patented camera systems paired with tablet-laptop technology improve the Picture day experience from beginning to end.

A streamlined, electronic check-in process focused on capturing a great expression and returning students back to class faster.

School pictures automatically flow to the new Lifetouch Yearbook website, making yearbook building easier than ever.

Fundraising is easy with Shutterfly Storefronts. Your school will earn 8% back on all Shutterfly orders made through your unique Storefront website.

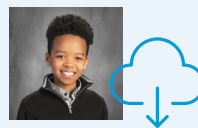

FAMILIES

Lifetouch REWARDS™

The Lifetouch Rewards program allows families to earn discounts from their picture and yearbook orders and receive exclusive, Shutterfly promotions.

Families can search for their school's picture day information, PLUS use their student's school ID to order, providing additional security and eliminating the need to remember an ordering code.

As part of Shutterfly, Lifetouch families receive their digital school picture on Shutterfly.com where they can preserve their student's complete collection and share life's joy through personalized products.

Pictures and yearbooks delivered with the highest print quality powered by Shutterfly's best-in-class digital manufacturing platforms.

We take great pride in our long-standing partnerships with schools. It's our promise to continue our tradition of providing innovative solutions and memories that last a lifetime.
