

We're here for schools

Horace Mann is the largest multiline insurance company focused on the retirement and insurance needs of the educational community. But our commitment to educators goes beyond insurance and retirement. We offer programs and services that help educators tackle some of their biggest challenges – both in and out of the classroom.

DonorsChoose – We are a national sponsor of DonorsChoose, a not-for-profit organization that connects teachers in need of classroom supplies with donors who want to help. Horace Mann and our representatives have funded more than \$7 million in classroom resources to date,¹ and we'll help your educators learn how to successfully submit DonorsChoose projects for funding.

Workshops – Our representatives host free educational workshops on a variety of topics important to educators, including their state retirement system,² financial wellness and student loan forgiveness. Our goal is to help educators build financial literacy so they can make informed financial decisions and stay in the job they love.

Student Loan Solutions – This program will help your staff manage their student loan debt, apply for federal loan forgiveness and get on a path toward a brighter financial future, helping you attract, support and retain quality, full-time educators.

403(b) and 457(b) plans – We've been helping educators prepare for retirement since 1961. We offer competitive products for a 403(b) or 457(b) plan you establish, and we'll work with you to develop a customized education and communication plan for your district.

WISE Benefits™ Enrollment Platform – Our user friendly platform can help with much of the heavy lifting for your benefits administration. Our technology comes with an array of communication tools, templates, and delivery channels to increase engagement and maximize enrollment participation.

WISE Employee Benefits™ Solutions – We have a menu of flexible options – whether your goal is to offer benefits to help preserve your employees' financial well-being if a covered injury or illness occurs, to help families if a loss of life occurs, or to help protect employees' income if they're unable to work because of a covered injury or illness.

School payroll program – Our service allows school employees to conveniently pay their auto, life and supplemental insurance premiums and make their IRA and Roth IRA contributions directly from their paychecks – all at no cost to the district or employee.

Administrative services – We offer a full range of administrative services that provide simplicity and convenience for you and a seamless experience for your employees.
