Custom Computer Specialists
Right People. Right Results.®

Suzanne McLaughlin

Executive Vice President

401-378-2994

smclaughlin@customonline.com

Suzanne McLaughlin is the Executive Vice President for Custom Computer Specialists. She has over 30 years of technology consulting and management experience, focusing on cyber security, physical security, infrastructure design, networking and collaborative technologies. She works closely with Custom's education, government and corporate clients to map technology solutions to produce high-impact technology solutions.

Bob Hamel is currently serving as Public Sector Resource for Custom Computer Specialist, Inc. He was a career public school educator and administrator for over 35 years. He has been a member and Director of MASBO for numerous years and has served on the "Technology Committee" of ASBO. Bob has been and continues to be a presenter at several local, state and national conferences.
